

PASADENA PUBLIC LIBRARY

May 29, 2003

Dear Devra,

I wanted to extend my sincerest thanks for teaching a terrific series here at the library. You did an excellent job. You were always articulate, thoughtful, prepared, and most important when working with teenagers, flexible! I wish more teens had stuck through until the end. Even so, changing a few lives is as important as changing hundreds, at least that's my philosophy of library programming (particularly when it comes to teens).

Again, thanks a zillion. Good luck to you in your pursuits, and if you ever need anything, don't hesitate to give us a call!

Sincerely,
